Take Realistic PMP Practice Exams and Understand Your Results

Understand Your Results

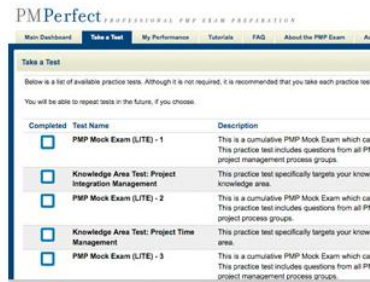

Quickly understand what PMP study areas require more focus before you take the real exam. Multiple PMP practice tests, comprising hundreds of PMP questions, provide test takers with a realistic performance assessment.

Personalized Member Dashboard

Access Multiple Exams & Practice Tests - or Create Your Own!

Access multiple PMP mock exams and practice tests, with the ability to track your performance. Plus, easily create your own custom PMP practice tests using our question database.

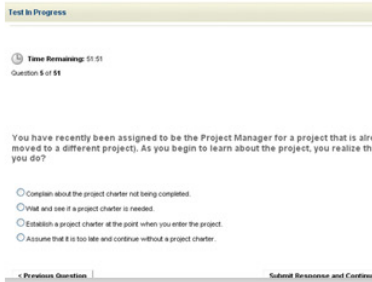

Personalized Test Menus Which Track Your Progress

PMP Practice Exams Which Mimic the Real Environment

Mimic The Real Testing Environment

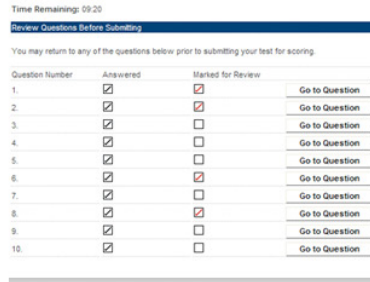

We designed our testing engine to simulate the real PMP testing experience directly within your web browser with no downloading required.

Member Testing Interface

Save Your Progress

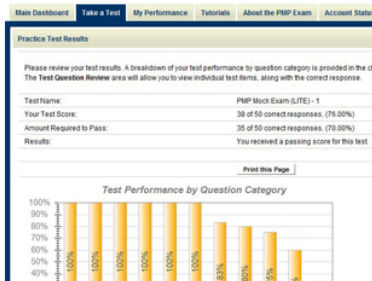

Mark your responses for review later, return to any test question before getting results, and take the test using the same time limits as the real exam.

Realistically Mark Questions for Review

Instant Feedback & Analysis

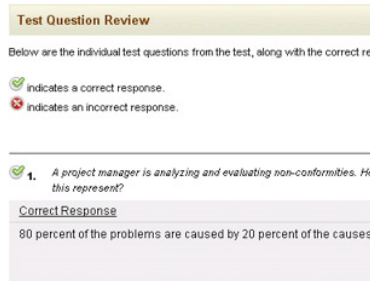

A scoring report is provided after each PMP practice test, allowing you to see your strengths and weaknesses by each PMP knowledge area.

A detailed summary displays PMP practice test results

Review Your Reasoning

You will also be able to review the reasoning behind each PMP test answer to fully understand which responses are correct.

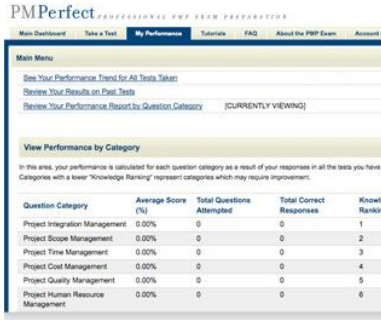

Reasons are provided for each PMP test question response

PMTraining® Enterprise Use Agreement – Registration Form Prepared by SSI Solutions INC (“SSI”)

Measure Your PMP Knowledge from Multiple Angles

Personalize Your PMP Study Efforts

The personalized My Performance tab will help you focus your PMP study efforts by analyzing your performance. Each PMP practice test you take is tracked to give you a summary view of your performance trend over time.

Personalized My Performance

Measure Your PMP Knowledge

Additional reports rate your performance by PMP subject area, show trends over time, and allow you to see details about past test results.

Personalized Performance Trends

Prioritized Member Support

Walk Through Support

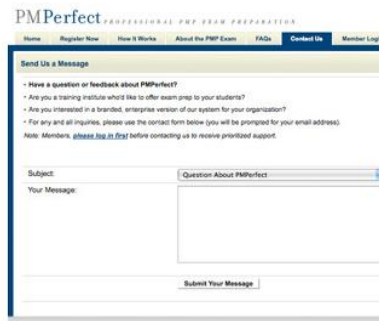

Our goal is to provide you with as much support necessary in benefiting from the PMPerfect test preparation service. Included with every membership is access to our video tutorials which walk you through each of the features our site has to offer.

Video Tutorials

Online, Email & Telephone Support

Appendix A: Standard Assumptions and Usage Guidelines

Agreement Term and Cancellation

This Agreement shall continue in effect from the date of agreement execution (“The Effective Date”) until either party gives 30 days notice prior to the end of the term.

Either party may terminate this Agreement at any time, with or without cause and without further obligation except for payment due for services rendered prior to date of such termination.

Use of Exam Preparation Content

Exam preparation content available via our products has been created exclusively for use by our customers. Our exam preparation content—including images, text, and supporting material (collectively "SSI Exam Prep Content") are owned by SSI Solutions INC. Unless SSI Solutions INC explicitly provides permission, no party may copy, modify, distribute (outside of the exam preparation system), display, license, or independently sell SSI exam preparation content without express consent by SSI.

Extreme care has been taken in the compilation of site content and features. The information, statements, and testing content contained therein are believed to be correct. This content, its owners, operators, and/or representatives shall not be held liable for any loss, damage or inconvenience arising from potential inaccuracies. SSI reserves the right to publish updates to its exam preparation content without prior notification.

Although post-exam student feedback is highly positive, no guarantee, warranty, or representation is made that students will pass actual certification exams as a result of using this product, nor with regard to the general content of site material.

While the information contained within our product platform is believed to be accurate, SSI, including its owners, representatives, administrators, and or employees, is not responsible for, and expressly disclaims all liability for, damages of any kind arising out of use or reference to information provided.

Accessing and/or registering with SSI exam preparation web products indicates acceptance of content terms, publicly accessible via the “Site Disclaimer” section of our website.
