## Standard Assumptions and Usage Guidelines

### Use of Exam Preparation Content

Exam preparation content available via our products have been created exclusively for use by our customers. Our exam preparation content—including images, text, and supporting material (collectively "SSI Exam Prep Content") are owned by SSI Solutions INC. Unless SSI Solutions INC explicitly provides permission, no party may copy, modify, distribute (outside of the exam preparation system), display, license, or independently sell SSI exam preparation content without express consent by SSI.

Extreme care has been taken in the compilation of site content and features. The information, statements, and testing content contained therein are believed to be correct. This content, its owners, operators, and/or representatives shall not be held liable for any loss, damage or inconvenience arising from potential inaccuracies. SSI reserves the right to publish updates to its exam preparation content without prior notification.

Although post-exam student feedback is highly positive, no guarantee, warranty, or representation is made that students will pass actual certification exams as a result of using this product, nor with regard to the general content of site material.

While the information contained within our product platform is believed to be accurate, SSI, including its owners, representatives, administrators, and or employees, is not responsible for, and expressly disclaims all liability for, damages of any kind arising out of use or reference to information provided.

Accessing and/or registering with SSI exam preparation web products indicates acceptance of content terms, publicly accessible via the "Site Disclaimer" section of our website.
